DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.
Commissioner of Patents

The communication filed on 12 October 1999 is **not fully responsive** to the communication mailed on 12 August 1999 for the reason(s) set forth on the attached Sequence Listing Error Report.

Applicant must correct the deficiencies identified *infra* within the statutory period for response set in the letter mailed 12 August 1999. If a complete reply has not been submitted prior to the expiration of the noted period for response, as lengthened by any extensions of time obtained pursuant to 37 C.F.R. § 1.136(a), this application will be held **abandoned**. Applicant may obtain an additional extension of time under § 1.136(a); however, in no case may the period for response be extended beyond the statutory maximum of six months from the mailing date of the last Office letter, *i.e.*, 12 August 1999.

Any questions concerning this communication should be directed to David Fitzgerald at telephone number (703) 308-3934 or fax number (703) 308-0294. Specific questions relating to the format required for computer-readable sequence listings should be directed to Mark Spencer at (703) 308-4212. Inquiries of a general nature should be directed to the Technology Center 1600 receptionists at (703) 308-0196.
